MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Proposed Amendments to Director of Central  
Intelligence Directives (DCIDs) to Reflect the  
USIB Action on the Committee Structure of the USIB

REFERENCES : (a) USIB-D-27.1/18, 31 May 1962 (corrected 7 June 1962)  
(b) USIB-M-225, 18 July 1962, item 8  
(c) USIB-D-5.1/1, 7 September 1962

1. The attached memorandum (Tab A), prepared by the Coordination Staff, incorporates revisions in Reference (c), above, to reflect the comments submitted by Board members on Reference (c). The dashes and underlining therein indicate, respectively, the deletions and additions proposed to be made in the text of certain existing DCIDs.

2. It is requested that Board members record in the vote sheet attached at Tab B either their approval of or other views on the proposed revisions in DCIDs set forth in the attached memorandum from [redacted], and return the vote sheet to the Secretariat not later than close of business on 15 April 1963.

3. Revisions proposed for DCID No. 2/2 (Charter for Critical Collection Problems Committee) are being circulated separately for USIB discussion in view of DIA's and the Services' non-concurrence in the provision that proposed studies by the CCPC should be subject to approval by the DCI. Although this provision was specifically approved by USIB [see reference (b)], DIA and the Services now propose that such studies be approved by USIB rather than by the DCI.
